July 1, 1927.

Mrs. Mary Greene Wilson,
Douglasville, Texas.

My dear Cousin Mary:

Your letter of last Spring has remained on my desk in the unanswered pile for many weeks, and just as soonaas I have time I will answer it in detail. I was doing my best to find time to write you a letter by hand with pen and ink; but I have had to be away so much recently on long business trips, I just have not had the time, neither have I been rested enough to write you the kind of letter that I wish.

Seymour Stewart spent ten days with us in May, and we enjoyed his visit very much. He was in very bad shape physically at the time. He was very much interested in the old Greene family records, and we received a lot of new information regarding the Greene family which has not yet been completed, because I have not had the time to visit the old Greene sections over in Hancock and Greene Counties. I received a lot of new information which I will send you later that you know nothing about, and it will be interesting.

I received yesterday late a telegram from Evelyn Stewart, stating that Seymour was desperately ill, and knowing his condition as it was when he was here in May, I expect while I am dictating this letter he has passed away.

Please pardon a dictated letter, as I am just too tired to write by hand at this time.

Give my love to all members of the family, and with kind wishes, I beg to remain

Yours most sincerely,

JCC:S
